In claim 7, line 1, -- fibrous -- has been inserted after "free-flowing".

The following is an examiner's statement of reasons for allowance:

Applicant's argument, filed 09-Aug-04 (pg. 7), that the original fibrous structure is not destroyed is persuasive. The preambles of the independent claims were amended to clarify this aspect of applicant's claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
